MEDICAID MEMO

TO: Transition Coordinators and Case Managers Participating in the Virginia Medical Assistance Programs

FROM: Cynthia B. Jones, Director
Department of Medical Assistance Services

MEMO: Special

DATE: 8/29/2012

SUBJECT: Enrollment Change for the Children's Mental Health Program — Effective October 1, 2012

The purpose of this memorandum is to inform you that the Children's Mental Health (CMH) Program will no longer be enrolling new youth into the program, effective October 1, 2012. The CMH Program operated under federal demonstration authority to offer a community-based alternative to placement in a psychiatric residential training facility for youth and their families, and this authority ends on September 30, 2012. At this time no other federal authority exists for Virginia to extend this demonstration and continue enrolling youth into the CMH Program. Requests for CMH Program enrollment received at DMAS for dates on and after October 1, 2012 will be rejected back to the provider.

Youth who are enrolled in the CMH Program as of September 30, 2012 will continue to receive CMH Program services as long as they continue to meet eligibility criteria for the Program.

Transition Coordination / Case Management

Effective October 1, 2012, transition coordinators/case managers must discontinue referring individuals for the CMH Program as this Program will no longer accept new enrollees. If a transition coordinator or case manager receives a request for enrollment for the CMH Program *after* October 1, 2012, please inform the individual/caregivers of the discontinuation of enrollment for the waiver program. Individuals may be screened for other waivers or behavioral health services as appropriate.

The Department of Medical Assistance Services (DMAS) will continue to serve youth in the CMH Program who are enrolled as of September 30, 2012.

If you have any questions related to this enrollment change for the CMH Program, please contact Mendy Meeks, Children's Mental Health Program Director in the Behavioral Health Unit within the Division of Policy and Research, at (804) 225-4285 or mendy.meeks@dmas.virginia.gov.
